PRE-RESPONSE PLAN
Prepared by Crystal Smith, Extension Agent, Animal Science
and Reid Folsom, Farm Consultant

Note: A Pre-Response Plan is a tool that farm owners can complete and file with the appropriate emergency service provider in their area. It serves to help emergency personnel know what they will encounter if they are asked to respond to an event on your farm. See example of a completed plan on page 3.

EXAMPLE - FOR REFERENCE ONLY

PRE-RESPONSE PLAN
Prepared by Crystal Smith, Extension Agent, Animal Science
and Reid Folsom, Farm Consultant

Property
Lame Horse Farm

Address
1234 Hot Shot Highway

Telephone
(555) 555-5555

Owners
John and Jane Doe

Residents
Adults: M 1, F 1, Children F 2

Livestock
Horses 40, Dogs 2, Cats 3

Buildings
2. Horse Barn: 21 box stalls, pole type, metal clad
3. Horse Barn: 28 box stalls, tack room, feed room; pole type, metal clad.
4. Hay Barn: 3600 bales; pole type, metal clad
5. Tack Shed: wood sides, metal roof.
8. Feeding shed: 12 standing stalls, wood sides, wood roof, 3 sides
9. Loafing Shed: 1 stall; wood, metal roof.

Access
First Hot Shot Highway West, high speed to Farm Lane;
Then north on Farm Lane, gravel, low speed, no bridges,
1 culvert, overhanging limbs and brush.

Water
A. No Fire hydrants.
B. Year round creek on property, 400 gpm, accessible 500 yards south on internal
   gravelled farm lane.
C. Year round creek on property, 20,000 gpm, accessible dry weather only, 1500
   yards west across pastures.
D. Tankers required.

Forest
3 areas; total 30 acres.

Brush
0

Pasture
6 areas; total 120 acres.
COMMENTS:

1. Horse boarding facility. May have as many as 25 people of all ages on property at one time; can be congested around buildings 1, 2 and 3.

2. Horses out in pasture at all times, except for twice a day, 1 hour feeding.

3. Soft ground, poor cross country movement, brush trucks only, farm lanes all weather graveled. Property abuts 5,000 acres U.S. National Battlefield Park on tow sides. Heavily forested.

4. Restricted vehicle movement between buildings.

5. Farm Lane sides overgrown, 1 metal culvert, gates 12’ wide, slow speed.
