The Effects of Regulations on the U.S. Salmonid Industry

Wisconsin Findings
Statewide results

REGULATORY COSTS PER YEAR:
- Statewide (total): $476,481
- On-farm (average): $38,118

LOST REVENUE PER YEAR:
- Thwarted expansion attempts: $23,000
- Lost market sales: $104,000
- Reduced production: $376,000

Regulations substantially increased on-farm costs and constrained the industry’s ability to meet market demand.
